No rabbits were harmed in the making of this roundup of fun brunches around New York City on Easter Sunday.

Coco & Cru

Easter Bunny didn't bring you anything? [Coco & Cru](#) did. The Aussie all-day cafe in Greenwich Village will greet you with a glass of prosecco, then end your meal with their light-as-air fudge brownie with whipped cream and berries. In between, be shocked at what comes out of their small kitchen: breakfast bowls, pancakes, omelets, sandwiches — if it's a brunch food, they've got it. *643 Broadway, [cocoandcru.com](#)*
